

Do you want a comfortable, protective and quality Australian made mouthguard that will help enhance your performance?

Total Denture Care specialises in one of the most comfortable and strongest products on the market, Extreme Mouthguards. Each mouthguard is designed and customised using the latest technology and highest quality Australian products in our in-house laboratory to ensure the ultimate protection.

EXTREME MOUTHGUARDS will be taking mouthguard impressions at our clinic (B1 550 Canning Hwy, ATTADALE) on **Saturday 10 March from 8.30am – 12.00noon**. This period will be dedicated only to the EFJC. Bookings are essential so to book a scheduled appointment on this day, please call our Attadale clinic on **9317 7777**.

Alternatively, players are welcome to book an appointment at our clinic on another day/time that suits.

See below chart highlighting the range of mouthguards we have available and associated prices:
